VersaSeal® Announces 2007 Tax Form Availability

Montrose, AL. VersaSeal tax forms are now available for the 2007 tax year.

VersaSeal, a patented pressure seal solution available to distributors and resellers, offers a wide variety of W-2 and 1099 formats. As in the past, they also offer a special discount for customers who place their orders before October 1.

VersaSeal also offers their popular Rent-To-Own equipment program for customers who use pressure seal only during the busy tax season.

Samples and pricing information can be obtained by contacting a local PrintXcel Sales Office at 1-866-FORXCEL (1-866-367-9235.)

According to Brand Manager, Deanna Day, tax forms have been an important VersaSeal application since 1996. "Even customers who do not use other pressure seal applications year round find that time critical tax forms and VersaSeal are a match made in heaven. Our short term Rent-To-Own program is the perfect solution for these customers."

PrintXcel, a trade only manufacturer of forms, direct mail and other print solutions including VersaSeal, is a sister company to other leading print suppliers including PrintXcel, Discount Labels, Dealer Label, Wisco Envelope, Lancer Label, Printegra and National Imprint Corp.
