VersaSeal®

VS1402 Folder Sealer

- The **VS1402** offers a user-friendly low-volume solution for processing one-piece pressure sensitive mailers.
- The clearly marked fold plates, control panel, and drop-in feed system provide easy set-up and operation, right out of the box.
- These features, combined with a sleek desktop design, make the **VS**1402 ideal for processing documents in an office environment with low volume applications.
- With a speed of up to 73 forms per minute and the added capability of processing 14" forms, the **VS**1402 enables operators to complete daily processing jobs with ease.

Redesigned fold plates - Clearly marked and easier to adjust
